

## Artist of the week Karon

Karon B from Dryden, a member of the Beaver Retreat Girls was in a month ago & we helped her pick some colors for a bracelet. This exquisite piece was brought back in for us to photograph.

Karon has only been beading for about a year. Her bracelet “Kimberly” took about 8-10 hours to design and complete. Materials from T&T are 6mm,4mm & 8mm fire polish, 4mm Swarovski © bi-cone’s and size 15/0 seed beads

Awesome Job
